## FR. DOUGHERTY IS TRANSFERRED

Rev. Fr. Dougherty Transferred from Local Charge to St. Mary's Church, Large and Important Parish, in Lancaster.

As a result of a concursus held in Harrisburg, the Rt. Rev. Bishop Shanahan has chosen and appointed Rev. Father Dougherty of this place, to the irremovable rectorship of St. Mary's church, Lancaster.

The vacancy was made by the recent death of the Very Rev. Dr. Ganss. St. Mary's parish is the most influential in the diocese and to be appointed its pastor is regarded a high honor. Fr. Dougherty's people here feel keenly his departure from them, but they rejoice in the honor conferred upon him.

During his one year pastorate here exceptional work has been done by him, and this in every line of church endeavor. More than seven thousand dollars have been collected, nearly all of the church debt paid and many improvements made and paid for.

Were it not that the parish is in excellent spiritual and temporal condition Fr. Dougherty declared last night, he would not relinquish its charge at this time.

Fr. Reardon, assistant to Fr. Dougherty, is transferred to Hanover and Rev. William Boyle, of Harrisburg, will become pastor here. He is a gentleman well fitted to take up the work here and will in a short time, be esteemed by the people of the town in general.

Rev. Fr. Dougherty will leave for Lancaster next Monday.

## PREVENT DEFEAT OF LINCOLN WAY

Temporary Safety for Lincoln Way Would have Voted on Other Plan Wednesday but Members Prevented. Next Wednesday Now.

Maryland Congressmen, led by Messrs. Talbott and Linthicum, started a filibuster in the House Wednesday against the Lincoln Memorial bill, which provides for the erection of a Greek temple in Potomac Park to the memory of the martyred president. The Marylanders favor the construction of a memorial highway from Washington, through Maryland, to Gettysburg.

The committee had the call of bills in the House Wednesday. At 4 o'clock the Library Committee, which has favorably reported out the Lincoln Memorial bill favoring the Greek temple project was reached. Mr. Talbott jumped to his feet and moved that the House adjourn. He was voted down. Mr. Linthicum then asked for a roll call. Some confusion resulted, and this was overruled, not enough members joining in the movement.

Chairman Slayden, of Texas, of the Library Committee, was recognized and he reported a bill to incorporate the American Academy of Arts and Letters. Mr. Bartlett, of Georgia, caught the Speaker's eye and was recognized for an hour. Mr. Bartlett was opposed to the bill under consideration, and this brought more confusion and loss of time.

The object of these dilatory tactics was to consume time to prevent Chairman Slayden from calling up the Lincoln Memorial bill during the afternoon. In this the filibusters were successful.

Mr. Talbott said that the bill cannot now come up until next Wednesday, when the supporters of the memorial highway will be on the floor in larger numbers than they were Wednesday. Had consideration of the bill been obtained Wednesday it would have passed the House, as many of its opponents were not at the Capitol during the evening.

In a statement Senator William P. Jackson announced that if the House advocates of the Lincoln boulevard succeed in referring the matter back to the Senate he would exert every influence he could to have the Senate authorize the construction of the road.

Before Senator Jackson became a member of the upper body the Senate passed the bill authorizing the expenditure of the \$2,000,000 Lincoln memorial fund for a Grecian temple in Washington. Since then numerous congressmen have urged the House to apply the money on a highway to Gettysburg.

"I can think of no project," said Senator Jackson, "that would be more useful and give pleasure to more persons than that for a Lincoln highway between Washington and Gettysburg. I fail to see the reason why Congress should be inclined for a minute to bury this patriotic appropriation in a pile of marble."

"If the House will hold up the proposition to build the memorial temple and send the bill back to the Senate, I shall urge the use of the money upon a boulevard with all the force I have."

## LITTLE GIRL HURT

Little Girl Seriously Hurt by Sudden Kick of Cow.

A little daughter of Mr. and Mrs. John Forry, of near Goldens Station, Mt. Pleasant township, was painfully injured by the kick of a cow a few days ago. The child, who is about 3½ years old, was at play while the mother was engaged at milking, when the animal kicked suddenly, striking the child on the forehead over the right eye, peeling the scalp from the bone for a distance of about 4 inches and rendering her unconscious. A physician was summoned and dressed the wound, which required about twenty stitches to close. At latest reports the child is getting along as well as can be expected.

## Annual Pre-Inventory Reduction and Rummage Sale

Instead of a three days sale as we have sometimes held at this season—we believe that it will be much more satisfactory to our customers in service, if we allow them to take more time to their purchases. Cost not a consideration—Stock must be greatly reduced before inventory to make room as well as secure cash for our Spring stock soon to come in. This sale will continue while these bargain goods last—The early purchaser has best selection.

In addition to goods here advertised, there will be found Odds and Ends—that we have not space here to mention—of little lots at very low prices. Come and look the stock over.
